

Leadership Bloomington-Monroe County Program
Scholarship Application

Partial scholarships for Leadership Bloomington-Monroe County are provided by the LBMC Alumni Association with funds raised from members and sponsors. Although we welcome scholarship applications from everyone, submitting an application does not ensure that you will receive financial assistance or the level of financial assistance you request. You will be informed of any scholarship awarded at the same time that you are notified of admittance to the program.

The names of scholarship recipients may be released publically to promote the benefit of the scholarship program and to aid in fundraising efforts. Please let us know below if you would have any concerns about being publically recognized in this way. After completing the program, scholarship recipients may also be asked to provide a statement about the benefit of the scholarship for promotional materials. This is not a requirement of accepting a scholarship.
